2000 Article Index

The year in review

The following is a listing of all technical articles, features and news items that appeared in *Wire Journal International* during calendar year 2000. The items are arranged by categories.

Companies may arrange for reprints by contacting the Wire Association International headquarters at 1570 Boston Post Road, P.O. Box 578, Guilford, CT 06437-0578, USA. Tel. 203-453-2777; fax 203-453-8384.

2000 *WJI* cover stories

January: "Ferrous wire," *p. 74.*

February: "WAI 70th Anniversary: entering the new millennium with a legacy," *p. 66.*

March: "Payoffs & take-ups," *p. 82.*

April: "Wire Expo 2000 & WAI's 70th Annual Convention," *p. 75.*

May: "Ferrous machinery," *p. 70.*

June: "Dies: the focus in a mature market," *p. 74.*

July: "Nonferrous machinery & equipment," *p. 66.*

August: "Mexico City revisited: WAI International Technical Conference," *p. 74.*

September: "Filtering Equipment," *p. 74.*

October: "Industry trends," *p. 88.*

November: "Reels & spools," *p. 84.*

December: "Spring machinery," *p. 80.*

Chapter Corner

(See Wire Association International Chapter Corner)

Dies

"Dies: the focus in a mature market," *June 2000, p. 74.*

Fastener Update

"Industry trend: Mom & Pop eye the M&A option," *January 2000, p. 48.*

"Penn Engineering announces plans to acquire Rivnut" *January 2000, p. 49.*

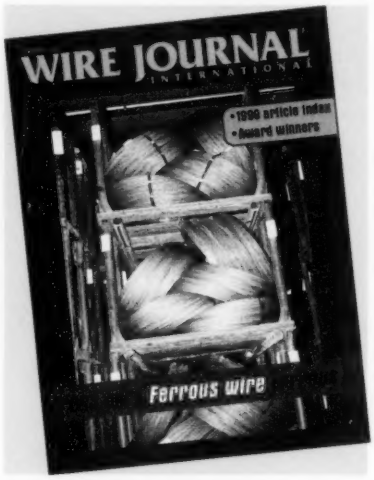
"NIFSCO/West attendance climbs for second straight year" *January 2000, p. 50.*

"Textron acquires assembly supplier," *January 2000, p. 50.*

"Nylon producer opens new plant," *January 2000, p. 50.*

"Landreth Engineering plant relocates in Connecticut," *January 2000, p. 50.*

"Acquisitions bring tooling in-house for Textron," *February 2000, p. 54.*



"Brighton-Best buys rights to L-9® line," *February 2000, p. 54.*

"Atlantic Fasteners starts division for made-to-print components," *February 2000, p. 54.*

"TransTechnology opens multipurpose sales and engineering center in U.S.," *February 2000, p. 56.*

"Bulletin details blind fasteners," *February 2000, p. 56.*

"Wrangling continues three months into FQA era," *March 2000, p. 66.*

"FAA orders U.S. airlines to inspect jackscrews in the tails of 1,100 craft," *March 2000, p. 67.*

"Hill names new U.S. representative in Indiana, Kentucky," *March 2000, p. 67.*

"Honeywell merges with AlliedSignal, completes deal for TriStar," *March 2000, p. 67.*

"Penn forms Arconix Group to distribute PEM products," *March 2000, p.67.*

"FabriSteel acquires Nelson Stud Welding from TRW," *March 2000, p. 68.*

"SPS acquires assets of Italy's ULMA," *March 2000, p. 68.*

"Bisco Industries opens new facility in Minnesota," *March 2000, p.68.*

"Distributors offer NIFSCO programs," *April 2000, p. 58.*

"Bossard acquires Italian distributor," *April 2000, p. 58.*

"Assmann designates Bisco as a distributor," *April 2000, p. 58.*

"SPS Technologies agrees to buy Avibank," *April 2000, p. 58.*

"IFI and IFMA join forces to co-produce new show," *April 2000, p. 60.*

"ASTM committee F16 to meet in May," *April 2000, p. 60.*

"Huck parent company acquired by Alcoa Inc.," *May 2000, p. 58.*

"IFI elects new officers and board members," *May 2000, p. 58.*

"Precision Castparts Corp. buys Fastener Engineers Group," *May 2000, p. 58.*

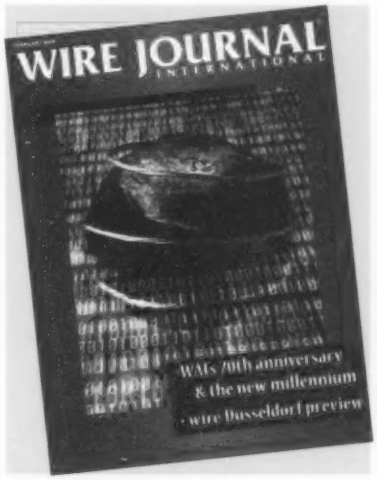
"AFC-Holcroft formed by merger," *August 2000, p. 56.*

"MascoTech, Inc.," acquired by investor group," *September 2000, p. 56.*

"Industrial Holdings acquires Orbitform," *September 2000, p. 56.*

"Textron Fastening consolidates groups," *September 2000, p. 58.*



"Tool maker opens Shanghai office," *September 2000, p. 58.*

"Standard addresses testing procedure for bolt coatings," *September 2000, p. 62.*

"Report examines state of U.S. fastener industry," *September 2000, p. 62.*

"Bossard buys distributor to expand U.S. presence," *October 2000, p. 66.*

"Textron announces new president for Detroit Heading joint venture," *October 2000, p. 66.*

"Nail producers enter alliance," *October 2000, p. 66.*

"Government keeps its eye on possible FQA loophole," *October 2000, p. 68.*

"Bisco opens two new facilities," *October 2000, p. 71.*

"IFI to present November seminar on internal threading," *October 2000, p. 72.*

"Swedish group makes bid to take over fastener maker," *November 2000, p. 60.*

"NFDA recruits new members," *November 2000, p. 60.*

"SunSource affiliate acquires Canada's Brafasco," *November 2000, p. 61.*

"IFI standard specifies 20 steel grades for cold forming," *November 2000, p. 61.*

"Republic Technologies to close plant," *November 2000, p. 62.*

"Pentacon expands e-business service," *November 2000, p. 62.*

"Software designed for management of small components," *November 2000, p. 63.*

"WCI formalizes interest in assets of Acme Steel Co.," *November 2000, p. 63.*

"Fastener Fair U.K. bids fond farewell to Donington," *December 2000, p. 58.*

"Web site for aerospace hardware prepares for launch," *December 2000, p. 58.*

"PEM reorganizes, changes name to PennEngiineering," *December 2000, p. 60.*

Feedback

"In favor of removing all abandoned cable from plenum spaces," *March 2000, p. 52.*

Ferrous Machinery

"Ferrous machinery," *May 2000, p. 70.*

Ferrous Wire

"Ferrous wire," *January 2000, p. 74.*

Fiber Watch

"AT&T plans major fiber optic network expansion," *January 2000, p. 46.*

"Corning predicts strong earnings will come in 2000," *January 2000, p. 46.*

"Study predicts major increase in North American fiber deployment," *February 2000, p. 52.*

(continued)

"Textron acquires RIFOCS Corp.," *February 2000, p. 52.*

"Corning notes major investments, completes buyouts," *March 2000, p. 64.*

"Lucent completes SpecTran acquisition," *March 2000, p. 64.*

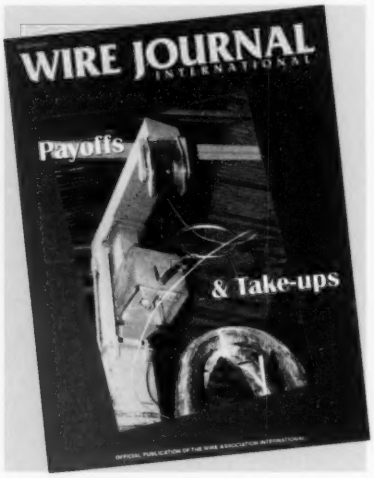
"Lucent sells interest in Indian joint venture to partner," *April 2000, p. 56.*

"Fiber-Line forms new division for fiber optics," *April 2000, p. 56.*

"BICCGeneral earns ETL verification for four products," *April 2000, p. 56.*

"Lucent Technologies awarded two Chinese contracts," *May 2000, p. 52.*

"Corning to supply fiber for Carrier1 and NEESCom," *May 2000, p. 52.*



"CommScope fiber offers improvement for Gigabit Ethernet," *May 2000, p. 56.*

"CDT acquires fiber optic components company BoseLAN," *May 2000, p. 56.*

"MCI WorldCom joins Asia-Pacific fiber optic project," *June 2000, p. 58.*

"Aerie to build largest-capacity broadband network in U.S.," *June 2000, p. 58.*

"Marconi Communications to supply Beijing Telecom," *June 2000, p. 59.*

"Detector finds faults even through jackets of fiber optic cable," *June 2000, p. 59.*

"Pirelli Cables to supply Russian, Chinese projects," *July 2000, p. 50.*

"Lucent wins contract, plans work force expansion," *July 2000, p. 50.*

"New fiber network to link Argentina and Chile," *July 2000, p. 50.*

"Corning reports contracts, plans for new plant," *August 2000, p. 46.*

"Lucent inaugurates facility, develops plastic fiber," *August 2000, p. 47.*

"Global Crossing's network to be a 'world's first,' " *August 2000, p. 48.*

"FiberCore completes buy, reports on European order," *August 2000, p. 52.*

"Russian fiber optic market looks strong at least through 2004," *September 2000, p. 52.*

"Corning Cable wins ARCOS1 contract," *September 2000, p. 52.*

"Lucent Technologies will expand two specialty fiber operations," *October 2000, p. 64.*

"Level 3 plans to deploy Corning fiber in network," *October 2000, p. 64.*

"Furukawa Electric reports major investments in fiber optic plants," *October 2000, p. 64.*

"Corning to acquire Pirelli unit, expand facility in North Wales," *November 2000, p. 54.*

"Global Crossing announces deal with Telecom Italia," *November 2000, p. 54.*

"Corning enters Chinese venture, reports fiber contract with El Paso," *December 2000, p. 62.*

"Alcatel awarded major contract from 360networks," *December 2000, p. 62.*

"Line offers new concept for fiber ribon construction," *December 2000, p. 62.*

Filtering Equipment

"Filtering Equipment," *September 2000 p. 74.*

Industry News: January

"Insteel Industries to buy Florida Wire & Cable," *p. 18.*

"CommScope to build new technology center," *p. 18.*

"TecSyn International to sell Poli-Twine," *p. 18.*

"Amercord bought by Gotham Industrial," *p. 19.*

"Corning to buy some of Siemens' operations, part of global emphasis," *p. 19.*

"Lincoln Electric opens second Mexican facility," *p. 19.*

"Southwire Company reports two SCR sales, first 'real world' use of HTS technology," *p. 20.*

"BOC Gases announces contract information," *p. 20.*

"Intermagnetics General Corporation to supply superconducting material," *p. 22.*

"WWW contributes to a slick Olympic venue," *p. 22.*

"Siemens Automotive to sell plants to Leoni AG," *p. 24.*

"Dyneon purchases equipment from Davis Standard," *p. 24.*

"National Electrical Manufacturers Association awarded marketing grant," *p. 24.*

"CDT to acquire unnamed Italian company," *p. 24.*

"ITC ends imported wire rope assessments," *p. 24.*

"Prestolite Wire to acquire Speed Clip division," *p. 26.*

"Spirka opens German office for sales/service," *p. 26.*

"Morgan completes second phase of Ivaco mill upgrade," *p. 26.*

"Wire & Plastic to sell surplus equipment from consolidation," *p. 28.*

"Fort Wayne Wire Die names European agent," *p. 28.*

"Berk-Tek enters alliance with Ortronics," *p. 28.*

"AMSC creates business unit for HTS technology," *p. 28.*

"Air Products completes Korean acquisition," *p. 28.*

"AC Technology acquired by Lenze GmbH," *p. 28.*

"Andrew to supply equipment to Powertel," *p. 30.*

"Mathiasen Machinery launches web site," *p. 30.*

"Correnti now heads Birmingham Steel Corp.," *p. 30.*

"Hanna earns patent for laser technology," *p. 30.*

Industry News: February

"Bekaert forms joint ventures to expand wire production in China," *p. 18.*

"IWG acquires The Forissier Group," *p. 18.*

"AlphaGary completes facility in Leicester, U.K.," *p. 18.*

"Rautomead seminar covers casting technology," *p. 19.*

"Leggett & Platt acquires Shaped Wire Inc.," *p. 19.*

"Birmingham Steel notes changes in operations," *p. 20.*

"Cable Components moves to new location, launches web site," *p. 20.*

"The 201 wait continues," *p. 21.*

"M.A. Hanna acquires company in Thailand," *p. 21.*

"Devenish & Associates to represent Sikora," *p. 21.*

"Borealis plans joint venture with DuPont," *p. 22.*

"AIW agrees to buy Pawtucket plant from Superior TeleCom," *p. 22.*

"ZAPP USA expands operations with new rolling mill, service center," *p. 24.*

"Hylsamex to sell rest of Hylsabek to DeAcero," *p. 24.*

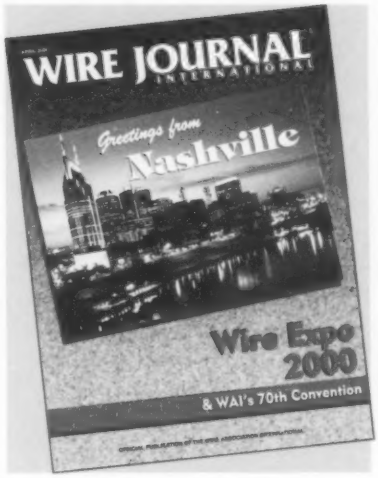
"Milacron sells Austrian extrusion business, will focus on Americas," *p. 26.*

"Morgan Construction to build mill in China," *p. 26.*

"WAI to co-sponsor ASM failure analysis conference in Cleveland, Ohio," *p. 28.*

"Furon and Norton operations combined," *p. 28.*

"Williamsport Wirerope Works forms link with France's TréfilEUROPE," *p. 30.*



"Unitek to represent Woywod in N. America," *p. 30.*

"3M acquires complete ownership in Dyneon," *p. 30.*

"Charles D. Scott Award winners for 2000 to be honored in April," *p. 32.*

"Beta LaserMike offers new service programs," *p. 32.*

"Förster sells equipment to Böhler Edelstahl," *p. 32.*

"Wardwell and German unit integrate production," *p. 34.*

"GST awarded patent for cable technology," *p. 34.*

"Adriel Brothers to represent H. Milot," *p. 34.*

"Honeywell Engineered formed from merger," *p. 36.*

"Strand Engineering to represent Cowan," *p. 36.*

"Pirelli to fund further AMSC HTS research," *p. 36.*

"New name for VideoJet," *p. 36.*

Industry News: March

"Acertec Holdings to buy steel wire operation from Siddall & Hilton," *p. 20.*

"Minnesota Wire & Cable Co. licensed for unique antimicrobial protection," *p. 20.*

"Section 201 decision finally made: tariffs set," *p. 21.*

"Morgan notes new order from China, upgrade from Brazil," *p. 21.*

"BICCGeneral to sell some operations to Pirelli," *p. 21.*

"Small company has big plans for N. American commodity market," *p. 22.*

"Copperfield acquires CopperCon Wire," *p. 23.*

"Ulbrich marks 75 years as a family business," *p. 24.*

"Foxton Dies celebrates its 50th anniversary," *p. 25.*

"Lincoln Electric to acquire one company, will invest in another," *p. 26.*

"Aumann and Sicme announce alliance," *p. 26*

"Elf Atochem North America becomes part of France's Totalfina," *p. 28.*

"Ivaco plans expansion of Newnan facility," *p. 28.*

"Massachusetts firm buys C&A equipment, goes into wire making," *p. 30.*

"Honeywell acquires Korean compounder," *p. 30.*

"SAMP sells two complete extrusion lines to Hitachi Cable Manchester," *p. 32.*

"Two German firms form reel alliance," *p. 32.*

"Belgium's Solvay Group reports two acquisitions," *p. 34.*

"Anixter issues report: major variances found in cabling systems," *p. 34.*

"Transitions completed, Continuus-Properzi looks to developing markets," *p. 38.*

"Hallett Wire Products acquired by Ivy Steel?" *p. 38.*

"Meritus reports orders," *p. 38.*

"Insteel completes Florida Wire purchase," *p. 40.*

"Mathiasen to offer full Outokumpu system," *p. 40.*

"Q.E.D. announces sale of system to Smorgon," *p. 40.*

(continued)

"Delphi Automotive wins contract to supply electrics for Land Rover," *p. 26.*

"ITAM-Salem reports Charter Steel contract for three STC furnaces," *p. 26.*

"Draka Wire orders double-twist bunching machines from SAMP," *p. 28.*

"Textron Inc. acquires Chesilvale Electronics," *p. 28.*

"New North Carolina location for Windak," *p. 28.*

"Cable Design Technologies plans major investment in fiber optics," *p. 30.*

"Lloyd and Bouvier chief awarded braider patent," *p. 30.*

"Q.E.D. reports sale of fluidbed furnace, patent for pickling system," *p. 34.*

"Lucent plans to invest $50 million in Brazil," *p. 34.*

"Bekaert acquires container business," *p. 37.*

"Northampton relocates U.S. office," *p. 37.*

"International Wire moves west coast service center," *p. 37.*

"Morgan Construction Company gets third order from Zhangjiagang," *p. 38.*

"AT Plastics reports reorganization," *p. 38.*

"M.A. Hanna inaugurates German facility," *p. 40.*

"Sandvik Steel to use direct marketing," *p. 40.*

Industry News: June

"Alcatel considers major spinoff of cable operations through an IPO," *p. 18.*

"Superior TeleCom completes expansion of its Brownwood facility," *p. 18.*

"Encore Wire Corporation looks to lead industry with lead-free product," *p. 19.*

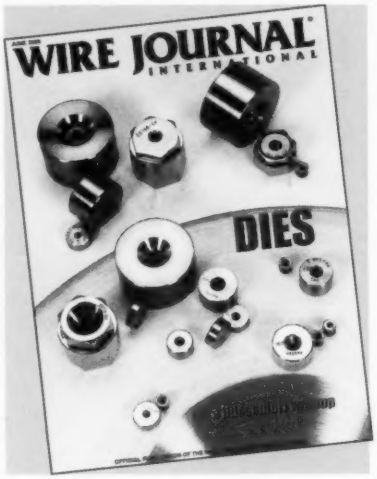
"Air Products and Air Liquide bid for BOC Group ends ... for now," *p. 19.*

"M.A. Hanna and The Geon Company plan merger," *p. 20.*

"Andrew Corporation to supply Ericsson," *p. 20.*

"Cookson Group to sell its telecom businesses to AFL and a consortium," *p. 22.*

"BICCGeneral awarded two contracts, predicts Pirelli deal will close," *p. 24.*



"The U.S. stainless industry will be watching *this* sunset with interest," *p. 26.*

"ITAM-Salem reports order from Charter," *p. 26.*

"U.S. International Trade Commission notes findings on steel wire rope," *p. 28.*

"CDT reports $10 million in fiber optic orders," *p. 28.*

"New industry specification for network performance announced," *p. 30.*

"Southwire introduces on-line ordering service," *p. 30.*

"The Geon Company expands its presence in Asia-Pacific region," *p. 32.*

"Teknor Apex offers seminar on PVC," *p. 32.*

"Intermagnetics General Corporation forms subsidiary for HTS technology," *p. 36.*

"Geca-Tapes expands its product line," *p. 36.*

"Belden products get major league use," *p. 36.*

"Colorant-Chromatics Group announces move and expansion plans," *p. 38.*

"CommScope, Inc. and Siemon Company announce new system," *p. 38.*

"New address for Hurlbert & Co.," *p. 38.*

"Carris Reels named one of six winners in corporate conscience awards," *p. 40.*

"Witels wins third consecutive award," *p. 40.*

"Windings notes new foreign representatives," *p. 40.*

"DynaMotive Technologies Corporation reports agreements, orders," *p. 42.*

"Northampton names a new U.S. representative," *p. 42.*

Industry News: July

"CommScope to buy Brazilian plant for coaxial cable production," *p. 20.*

"Belden and Graybar enter partnership," *p. 20.*

"Allegheny system started up at Talley Metals," *p. 20.*

"Wire Rope Industries to be sold to joint venture led by N.V. Bekaert S.A.," *p. 21.*

"Knill USA celebrates new facility," *p. 22.*

"AMSC to build new plant for HTS wire production," *p. 23.*

"New name for Siecor," *p. 23.*

"Record month for GST mill production," *p. 23.*

"NKT Cables reports major restructuring of its cable operations," *p. 24.*

"ITC to consider removing stainless steel wire rod duties," *p. 24.*

"Global Crossing sues Tyco International subsidiary for breach of contract," *p. 26.*

"McGean expands its business in Mexico," *p. 26.*

"Danaher Corporation buys two suppliers of motion control equipment," *p. 28.*

"Summit City names Spectre as agency," *p. 28.*

"Danieli Morgårdshammar reports contracts from Italy and Germany," *p. 29.*

"Phelps Dodge Corporation unit buys carbon black business," *p. 29.*

"WCISA names new president, will co-sponsor pavilion at wire Singapore," *p. 30.*

"Gitto/Global to expand production," *p. 30.*

"Wardwell announces production capacity increases, names new reps," *p. 32.*

"Mecnov Inc. names two representatives," *p. 32.*

"Loos & Co. Inc. buys W.J. Wire," *p. 32.*

"Southwire Company to install VertiROD continuous casting system," *p. 34.*

"I.C.E. reports sale of 55th fluid bed," *p. 34.*

"New headquarters for Hoosier/Ajax," *p. 34.*

"AIW names Biben as representative," *p. 34.*

"Chemical companies launch E-marketplace," *p. 37.*

"$10 million start for Geon's eCommerce web site," *p. 37.*

"E-business announced for wire/cable industry," *p. 37.*

"Last Connectivity Technologies unit bought by Rome Group," *p. 38.*

Industry News: August

"Phelps Dodge Corporation to close some of its cable operations," *p. 20.*

"BICCGeneral agrees to deal to buy Telmag operations in Mexico," *p. 20.*

"New life for 135-year-old site in Massachusetts," *p. 21.*

"National-Standard to be sold to Davis Wire," *p. 22.*

"Amacoil rep has expanded territory," *p. 22.*

"Southwire Co. names Electrorep as new agent," *p. 23.*

"Genesis Cable continues expansion route," *p. 23.*

"CDT opens Canadian facility, will supply cable to Rutgers University," *p. 24.*

"Electro-Wire expands Chicago operations," *p. 24.*

"CommScope to open distribution center, named supplier for COLO.COM," *p. 26.*

"Northwestern gets government guarantee," *p. 26.*

"Road report: the search for wire & cable at NPE," *p. 28.*

"BICCGeneral sale to Pirelli okayed," *p. 28.*
